

# BRIAN L. MAY, MD

Board Certified Plastic Surgeon

Working with Capizzi MD, Cosmetic Surgery & Med Spa since 2022  
Specializing in Cosmetic Facial Procedures & Body Contouring

## **Board Certification**

American Board of Plastic Surgery (2023-present)

## **Medical Licensure**

North Carolina #2022-01530 (2022-present)

## **Societies**

- Mecklenburg Medical Society, Board Member (XXX-present)
- Greater Charlotte Plastic Surgery Society, Member (XXX-present)
- North Carolina Society of Plastic Surgeons, Member (XXX-present)
- American Society of Plastic Surgery, Member (XXX-present)
- American Society of Aesthetic Plastic Surgery, Member (XXX-present)

## **Education**

Residency in Plastic & Reconstructive Surgery (2016-2022)

- University of Texas Southwestern; Dallas, TX

Medical School (2011-2016)

- Duke University School of Medicine; Durham, NC

Bachelor of Science – Chemical & Biological Engineering (2006-2010)

- University of Colorado; Boulder, CO
- Colorado School of Mines; Golden, CO

## **Additional Accolades**

- Administrative Chief Resident, UT Southwestern (2021-2022)
- Outstanding Research Award, Colorado Alpha Chapter (2010)
- Tau Beta Pi Engineering Honors Society, University of Colorado (2008)
- Research Leadership Scholarship, Colorado School of Mines (2007)

## **Philanthropy**

Madelyn's Fund, Charlotte, NC

- Community Partnership Committee (2023-present)

## **Presentations & Panels**

Photography in Plastic Surgery

*Presented at University of Texas Southwestern, Department of Plastic Surgery Grand Rounds; Dallas, TX (2022).*

*Clinical Outcomes of Alloplastic Cranioplasty Using Poly-methyl methacrylate Implants Presented at Duke University School of Medicine, Alpha Omega Alpha Research Symposim; Durham, NC (2015).*

*Engineering Transcription Factors for Improved Ethanol Phenotype in Escherichia coli Presented at University of Colorado at Boulder, Thesis Day; Boulder, Colorado (2010).*

*A Novel Reverse Osmosis Desalination Device – A Portable, Low Cost Desalinator Presented at Colorado School of Mines, Design Competition; Golden, CO (2007).*
